

Yes, I want to work for health care justice in Tennessee!

Why is it that the number of uninsured in Texas is 25%; in Minnesota it is 8%; and in Tennessee it is 14%?

Because what states do makes a difference. And as important, what you do makes a difference.

Yes, I plan to attend "Sick Around the World" House Party

No, I cannot make the event. Enclosed is my contribution to support this work.
